

Instructions to create your own Just Giving fund raising page for “The Big Sleep Out”

Here are the instructions for creating your own Just Giving Page to help you raise sponsorship. You will find all the steps and information you need. A “Campaign” has already been created by the charity.

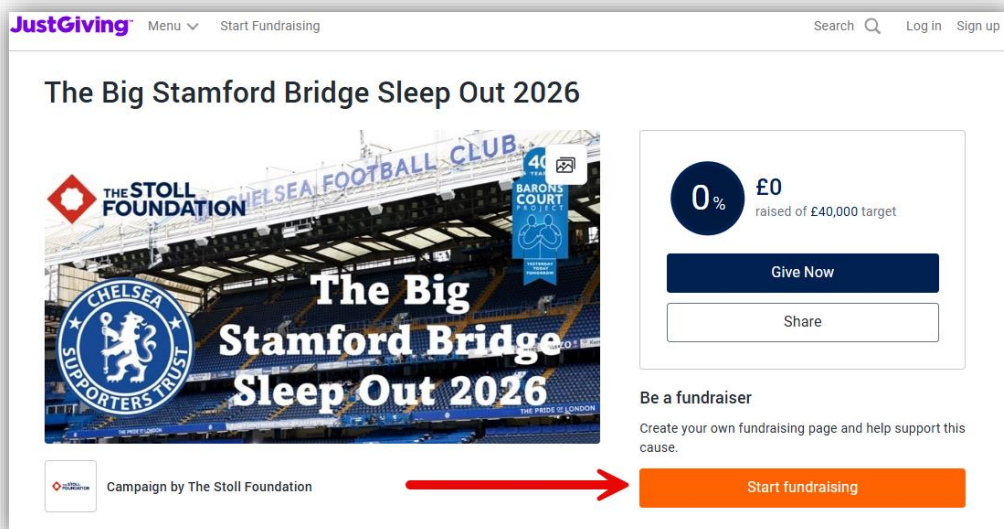

This process shows you how to link your fundraising to it and tailor for your own use. The benefit of this approach is that the money goes straight to the charities without you having to collect it.

(Please note that the campaign is being run by Stoll, but both charities will benefit equally)

Step 1

Click on this link to take you directly to the Sleep Out event on the Just Giving website.

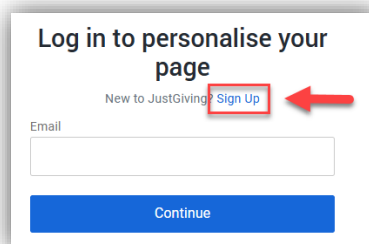

<https://www.justgiving.com/campaign/bigstamfordbridgesleepout2026>

You will now start the process of creating your own, unique page

Click on the “**Start Fundraising**” button.

- If you already have a Just Giving account, Log In with your details, otherwise click “**Sign Up**” to create an account.

Step 2

Once signed in, you will be presented with this screen.

How much would you like to raise?

Targets help to set the scene for donors, maximising funds for your selected charity

£ 50 GBP

£500 £1,000 Most popular £1,500 No target

Don't worry, if your target isn't reached, all funds raised will still be sent to your chosen charity.

Back Next

- Enter your own fundraising target then click **“Next”** where you will then have the chance to personalise the text and page cover image of your webpage, or just leave it with the defaults.
